SELECTMEN'S REPORT

1994

As you know the winter of 1995 has been warmer than normal with very little snow. If this trend continues by town meeting we can probably expect to cut the budget by quite a lot.

We are asking for extra money in the Town Officer's Expenses this year to pay the selectmen's secretary. As always there is more and more paper work. In addition, we need our secretary to take minutes at selectmens meetings and be open more hours to the public.

We feel it is necessary to note that the cupola's structural frame on the Town Hall was repaired to hold it in place but was not rebuilt.

The interior and exterior of the Town Hall needs painting. The exterior doors also need repairs. This will be a good summer project.

We are hoping to do some minor remodeling at the municipal building. This will consist of installing a door between the selectmen's office and the office that the town clerk and tax collector share. We also hope to install a large window in front of the town clerk's desk.

The leaky roof at the municipal building over the police office was repaired. We hope this made our chief happy.

This is a good year to purchase a new loader for the highway department. The near future may result in greatly increased new school costs making it more difficult to make large purchases for the town.

We have received a wakeup call from the State of N.H. about our deteriorating bridges. Hopefully this ongoing problem will be worked out using as much state aid as we can qualify for.

We took appropriate action on all of last year's warrant articles. This consists of a new salt shed, new lawn mower, surveying the new cemetery, new wiring for the library, new lighting and wiring for the Town Hall, buying a new police cruiser, and installing handicap access for the Town Hall and Library.

The communications for the town is uncertain at this time. This has been going on for months and will probably not be solved soon.

The legal expenses for the town have been rising sharply. This is a sign of the times and all we can do is hold on and tolerate it.

Grezlak & Associates gave us a gold star audit report. This means in part that we have a large fund balance making it possible to reduce our tax rate. This is a tricky business but the Department of Revenue Administration went along with us on this.

The deeding of properties to the Town of Temple because of unpaid taxes is an unpleasant business. We hope we don't need to do any of this, but if we do, we need permission from the town meeting to sell these properties.

Last but not least, we would like to thank everyone in the Town of Temple for their helpful suggestions and pleasant cooperation.

Respectfully submitted,
Temple Board of Selectmen

WARRANT

To the inhabitants of the Town of Temple in the County of Hillsborough, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the Fourteenth Day of March next, at ten A.M., to act upon the following subjects.

Article 1. To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Article 2. To cast your ballots for the election of such officers as may be required, by law, to serve the Contoocook Valley School District for the ensuing year.

THE POLLS SHALL OPEN AT TEN A.M., AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE EVENING.

You are further notified to meet at the Municipal Building in said Temple, on Saturday, the Eighteenth Day of March next, at ten o'clock in the morning, to act upon the following subject:

Article 3. To see if the Town will vote to raise and appropriate the sum of \$646,627.89 for Town charges and other necessary maintenance and operating expenditures.

Article 4. To hear the reports of agents, auditors and committees or officers heretofore chosen and to pass any vote relating thereto.

Article 5. To see if the residents of Temple will provide town land in order for the Temple Historical Society to preserve, restore and maintain Temple Schoolhouse No. 6 by relocating the building to a more centralized town site.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$40,000.00 for the purpose of rebuilding a town bridge, and authorize the withdrawal of \$40,000.00 from the capital reserve fund for bridge repair, or take any action thereon.

Article 7. To see if the Town will vote to authorize the Temple Volunteer Fire Department to go to the aid of another city or town on a mutual aid basis, in accordance with the provisions of RSA 154:24.

Article 8. To see if the Town will vote to authorize the Temple Volunteer Fire Department to enter a district fire mutual aid system pursuant to RSA 154:30a.

Article 9. To see if the Town will vote to raise and appropriate the sum of fifty nine thousand five hundred dollars (\$59,500.00) for the purchase of a new 1995 Front-end Loader and authorize the selectmen to trade in the old 1974 Front-end Loader towards this purchase, or take any action thereon.

Article 10. To see if the Town of Temple will vote to authorize the Selectmen of the Town of Temple to convey property acquired by tax deed either at public auction or by sealed bid or otherwise as justice may require. This authority shall remain in effect indefinitely until rescinded.

Article 11. To see if the Town of Temple will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) for the purpose of resurfacing the basketball and tennis courts, and for the purchase and installation of nets and posts for the tennis courts.

Article 12. To see if the Town of Temple will vote to raise and appropriate the sum of one thousand two hundred thirty five and 06/100 dollars (\$1,235.06) for the Souhegan Valley Ambulance Service to purchase and install a radio repeater tower and upgrade existing ambulance radio equipment to function with the repeater system.

Article 13. To see if the Town will vote to authorize the Board of Selectmen to grant an easement to George M. and Susan J. Willard across land of the Town of Temple, which is situated between and Easterly side of Route 45 and the George M. and Susan J. Willard property, being more particularly described in Fiduciary Deed of Robert Taft, Executor under the will of Charles P. Dillaby, dated October 5, 1972 and recorded in Hillsborough County Registry of Deeds, Volume 2251, Page 284, or take any other action relating thereto.

Given under our hands and seal this 9th day of February in the year of our Lord, Nineteen Hundred and Ninety Five,

Brian F. Kullgren, Chairman
Allan Pickman, Selectman
Robert Frazier, Selectman

TEMPLE VOLUNTEER FIRE DEPARTMENT

1994

In 1994 the Fire Department responded to a total of 55 calls. The breakdown is as follows:

- 1 Structure Fire / Temple
- 7 Structure Fires / Mutual Aid
- 3 Motor Vehicle Fire
- 18 Motor Vehicle Accidents
- 5 Smoke Investigations
- 3 Brush Fires
- 2 Chimney Fires
- 4 Miscellaneous Calls
- 6 Miscellaneous Calls / Mutual Aid
- 2 False Alarms
- 4 Downed Power Line

55 Total

Once again you will notice that Motor Vehicle Accidents are a large factor in our total calls. Over the years, our actual Fire Calls seem to have stayed quite low. We attribute this to you, the citizens of Temple. Through better education and awareness, everyone has become more careful and more aware of fire. The results are evident in the statistics.

Just the opposite seems to be happening with motor vehicles. Every year we are called to more and more accidents. This year we decided to invest our private funds into a "vehicle extrication tool," better known as the "Jaws of Life," for just this reason. We have been depending on Mutual Aid for one of these tools for many years. However, the extra 15 - 20 minute wait was sometimes critical. Now we will have one on the scene with us when we arrive.

We purchased 5 new portable radios for better "on-scene" communications this year as well. Also purchased were a generator and light system for better night-time visibility.

Our private funds were collected from our various annual fund-raisers and from many generous donations from people in town. I would like to especially thank the Fire Department Auxiliary for their help in raising the money. Even though we had many successful fund-raisers in 1994, all of these purchases have severely depleted our funds. The "extrication tool" itself costs \$7450, which is quite a bit. However, this tool could someday help save your life. We will be asking for your support again this year just as much as ever, while we strive to keep up with the ever-growing needs in today's fast-paced world.

It seems like a long time ago now, but in March of this past year our training on the new Fire truck was completed and the truck was put into service. The only "bugs" that we had to work out of it were the speedometer not working and our foam system needing to be recalibrated to mix the correct ratio of foam to water. Otherwise, this truck has worked out excellent for us. We are very proud of it.

Most of our training sessions this past year were spent on the new engine and on rescue tools. We now feel quite confident in both of these areas.

On July 5, 1995, the Enhanced 911 will go on-line in New Hampshire. This enables everyone in the state of New Hampshire to dial 911 for an emergency. Rather than the 911 calls going directly through your area's dispatch center, calls first go through a state-of-the-art dispatch center in Concord, N.H. That center will be able to tell exactly where the call is coming from and will be able to "lock into" that residence. From that dispatch center the call is then routed to the appropriate place.

I have been working together with the Federal Communications Center to help Temple prepare for this system. One of the preparations will be the renumbering of each residence in town. I am told that the U.S. Post Office will accept these new numbers and will use them as people's mailing addresses. This will make both your emergency street number and your mailing address the same and therefore easier for your family to remember. You will be required by state law to post these numbers in a conspicuous place at your residence.

As this renumbering will not be completed until sometime this coming summer, continue to use the numbers that you currently use. You will be notified in person by the Fire Department of your new number and when we are to begin their use. This new system is being done with the distant future in mind, allowing for growth, so don't be shocked at what your number ends up being.

To stay in touch with our monthly activities, pick up your copy of the bi-monthly Temple Newsletter at the Temple Store. See what is going on in Town and what's happening with your Fire Department.

Timothy P. Fiske, Fire Chief

TEMPLE VOLUNTEER FIRE DEPARTMENT AUXILIARY 1994

The Temple Fire Department Auxiliary is a group of individuals who support the Fire Department in a non-firefighter capacity. The Auxiliary has a membership of over 20 individuals.

In 1994, the Auxiliary held numerous fund raisers to help support the Fire Department. In March we served refreshments at Town Meeting, in April we held a Spring Rummage Sale, in May and October we helped the Fire Department and Lions Club sponsor auctions, in June we served Father's Day Breakfast, in July we helped the Fire Department with it's Flea Market, in September we participated in the Harvest Festival by having a table on the common, in November we held our Fall Rummage Sale, and in December helped Santa with his appointed rounds.

The Auxiliary raises these funds to be spent on supplies for the comfort of our firefighters. Auxiliary members, at times, travel to fire and accident scenes with food and beverage to replenish the firefighters' energy. One of our projects this year was to install "Emergency Munchie Boxes" in each of the fire trucks, so if our firefighters go to other towns on mutual aid calls, they are still provided for. This year we raised funds that also went to help purchase the jaws-of-life. We contributed in excess of \$1,000.00 to the Fire Department in 1994.

The members of the Auxiliary collect articles for and print "The Temple Newsletter". Thanks to generous support from the town and private contributors this past year, we were able to get enough funding to keep the newsletter going.

FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1994, our three (3) leading causes of fires were No Permit, Children and Rekindles of fires where the fire was not properly extinguished.

Violations of RSA 224:27 11, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

Fire Statistics	1994	Average 1990-1993
Number of Fires Reported to State for Cost Share Payment	283	443
Acres Burned	217	246

Suppression cost = \$90,000+

Fires Reported by Lookout Towers (1994)	Fires Reported by Detection Aircraft
Fires Reported	588
Assists to Other Towers	89
Visitors	21,309

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

CONSERVATION COMMISSION REPORT

The Conservation Commission meets every first Monday of the month at 5:00 p.m. in the Temple Municipal Building, and the public is invited to attend.

This year, the Conservation Commission was pleased to assist in the purchase of Schoolhouse #6 with the Historical Society. Located near North Road, the schoolhouse was the last remaining in town, and was used until the turn of the century.

Members of the Commission also reviewed parcels of Maurice Stone's former property, which was placed into easement several years ago. Corners were remarked in lower sections, and the upper sections will be reviewed in the coming year.

The Conservation Commission welcomes anyone from the town to attend meetings. Please call Warren Quinn, Chairman for specific details at 878-2897.

RECREATION COMMISSION REPORT

The Temple Recreation Commission sponsored the usual 4th of July Celebration, Halloween Party, Seniors Thanksgiving Dinner and Christmas Party.

Our largest expenditures come from maintenance of the ballfield, tennis courts and basketball court.

We are submitting a Warrant article to cover proper maintenance of the tennis courts. They are in need of new net posts and resealing of the surface.

We are thankful for the help we get from citizens and are always open to suggestions.

Respectfully submitted,
Joe Cournoyer, Chairman, Recreation Commission

TOWN FORESTER'S REPORT

Since I assumed the position of Town Forester last June, timber harvesting in Town has been going on at a fairly active rate as compared to previous years. The lumber market has been very strong over the past year. Stumpage prices have been on the increase and there has been a strong demand for forest products. Over the past nine months, 10 Notices of Intent to Cut Wood or Timber have been filed with the Selectmen. The majority of these operations have been completed and a few are still ongoing. As of the date of this report, no final Reports of Timber Cut were filed with the Selectmen. The estimated yield tax that will be generated from these 10 forestry operations is approximately \$6500.

The State RSA specifies that any person owning land upon which wood or timber is cut, either for sale or for services rendered, must first file an Intent to Cut form with the Town Selectmen or assessing officials. The exception to this is a person cutting up to 10,000 board feet of logs for their own use, or a person cutting up to 20 cords of fuel wood for their own domestic fuel purposes, within the tax year. Under these exceptions an individual does not have to file an Intent to Cut form. The tax year runs from April 1st to March 31st.

The RSA also states that within 60 days of completion of the operation or by April 15th, a Report of Wood or Timber Cut must be filed with the Town specifying the exact volume cut by species. The Town will levy a 10 percent yield tax based on the stumpage value of the material cut. If the job is not completed by March 31st or did not take place, a Report of Cut must still be filed by April 15th. At that time a new Intent to Cut should be filed to renew the permit. If the job is not completed by March 31st but will be completed by June 30th, a 90-day extension may be granted without having to renew the permit. To do this the Selectmen must be notified in writing and signed by the Owner, prior to April 15th.

Finally, during a harvesting operation, if the volumes to be harvested are going to exceed the estimated volumes on the original Intent to Cut, a supplemental Intent should be filed immediately showing the additional estimated volumes.

Allan Oxman, Licensed Forester

HOME HEALTH CARE AND COMMUNITY SERVICES, INC.

Town of Temple, N.H.

January 1, 1994 to December 31, 1994

In 1994, Home Health Care and Community Services (HCS) continued to provide home care and community services to the residents of Temple. The following information represents a projection of HCS's activities in your community in 1994. The projection is based on actual services provided from January through September 1994 and an estimate of usage during October, November and December.

Service Report

<i>Services Offered</i>	<i>Services Provided</i>
Nursing	113 Visits
Child Health Nursing	5 Visits
Physical Therapy	57 Visits
Speech Pathology	0 Visits
Occupational Therapy	0 Visits
Medical Social Work	1 Visit
Outreach	9 Visits
Nutritionist	1 Visit
Home Health Aide	800 Visits
Continuous Care Aide	250 Hours
Homemaker	931 Hours
Adult In-Home Care	848 Hours
Child Health Program	3 Children

Total Unduplicated Residents Served: 24

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 1994 with all funding sources is projected to be \$68,828.11.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurance, grants and patient fees. Services that were not covered by other funding, have been supported by your town.

For 1995, we recommend an appropriation of \$1,750.00 to continue home care services at the current level.

Thank you for your consideration.

SOUHEGAN VALLEY AMBULANCE SERVICE, INC.

Annual report to the towns of:

Greenville, N.H.

New Ipswich, N.H.

Temple, N.H.

While 1994 brought a slight drop in the call volume, the service remained busy, averaging more than one call per day throughout the year.

In addition to responding to emergency calls, the attendants spent many hours attending continuing education programs and with fund raising projects for the service.

Our building is nearly complete, with most large projects complete.

Expenses for the operation of the service continue to rise. The cost of supplies and equipment increases each year, and additionally, the need to change to the use of expendable items required for the protection of both attendants and patients also adds to the increased operating expense.

Meeting OSHA requirements has become an additional, but necessary, burden on the service. Training requirements to meet OSHA and other safety requirements means not only additional expense, but considerable time involved in training.

This past year the availability of space in our own building has made it possible to increase the training available locally, while at the same time provides us with the opportunity of reducing our costs by offering training courses to outside agencies and individuals for a fee. This not only makes training more accessible to our own attendants, eliminating the need to travel, but allows us to provide the training at less cost.

Our need for volunteers is always a concern. Each year we lose a few attendants for various reasons. The time commitment alone places a strain on family and personal time. Some attendants leave the area, others simply choose to devote their time to other interests. In November 1994, we began two classes for Emergency Medical Technician. One class is held during the daytime, the other in the evening. From these classes we expect to increase the number of attendants available. After successful completion of the EMT course, those interested will begin additional training with the service.

Because more people work outside of the area during the daytime, our need for volunteers during the day is particularly acute.

Plans are under way for additional training courses to be offered during 1995 and anyone interested is encouraged to contact Darel Oja or David Dow through the communications center at 654-2434 for information.

With the recent controversy over communications, and the recent move from Monadnock Communications to Milford Area Communications by the Town of Greenville, the service has been placed in the position of increasing its budget to pay for communications/dispatch service for the ambulance service. This had previously been provided by the towns serviced.

This situation has also placed the service in the position of researching and planning both an upgrade of communications equipment and a probable move to another dispatching agency.

The ambulance service has entered into agreement with "Health Alliance," a joint effort by Burbank Hospital, Leominster Hospital and Patriot Ambulance Service to provide Advanced Life Support services for patients who require this level of care. While Souhegan Valley Ambulance continues to provide services for no fee to the individual, there is a fee to the patient from Patriot Ambulance for Advanced Life Support Services when provided.

Souhegan Valley Ambulance Services continues to upgrade the level of care provided through training programs at all levels. At present, the minimum level of training for our attendants is Emergency Medical Technician, meeting the National Department of Transportation guidelines and State of New Hampshire requirements. Additionally, each year we increase the number of attendants trained to the level of Emergency Medical Technician - Intermediate. At present, all of our attendants are Nationally Registered with the National Registry of Emergency Medical Technicians at the level of their training (EMT-Basic, EMT-Intermediate or Paramedic).

Submitted on behalf of the Board of Directors.
David F. Dow, Chairman

MONADNOCK FAMILY SERVICES

Summary of Services to Temple Residents from October 1, 1993 through September 30, 1994

Monadnock Family Services provides a full range of treatment for individuals who need counseling or who are experiencing a mental disorder. There are no restrictions based on diagnosis or age, and we continue to offer services to clients with little to no income. The Peterborough District Office is open five days and three nights per week. The Jaffrey District Office is open four days and four evenings per week. Based in our Keene Office, we provide 24 hour Emergency Services 7 days a week, 365 days a year.

Services we offer in addition to Emergency Services include: Psychiatric Assessment and Medication Treatment, Case Management, Residential treatment and a Day Treatment program. This figure is reflective of open cases and does not contain those individuals who may have been seen as adjunct member of treatment (i.e., family members, school personnel, legal or other sources of referral). Last year the Peterborough and Jaffrey offices of Monadnock Family Services served over 793 individuals, with more than 13,068 visits for direct treatment.

It is our goal to maintain quality services to residents of our catchment area, and to provide for the identified counseling needs of the community.

This past year Monadnock Family Services provided 189 visits of direct treatment to TEMPLE residents. Of the 12 open cases, 5 were male and 7 were female, 5 were under the age of 18, and 7 between the ages of 18 and 59.

Primary referral sources were as follows: self-referred, physicians, social service agencies, schools, and courts, in that order.

MFS Adult Care Center was open over 1400 hours in 1994, with an average daily attendance of approximately 23 clients. We provided over 16,000 hours of service to elderly residents and their families. Many of the clients in the program have Alzheimer's Disease or related illnesses due to aging.

The dollar amount requested from Temple to help us continue offering these services, is arrived at by multiplying the 1992 population estimates (prepared by the N.H. Office of State Planning) figure by \$1.00. This per capita amount represents no increase in five years. The amount we are requesting is \$1,218.00.

TEMPLE POLICE DEPARTMENT 1994

Once again the Temple Police Department has a very busy year. Juvenile incidents and vandalism were down again this year, as were accidents, due to a less severe winter than in the past. However, officers were kept busy investigating more serious crimes such as the four suspicious fires which occurred during 1994, one of which resulted in the serious injury of Officer Dave Elder. More than 6,000 calls were received and/or dispatched by Base 500 for the year of 1994. The number of crimes in Temple has decreased by 11% since 1993.

The mutual aid agreements that have served us in the past, with Greenville, New Ipswich, Mason, Peterborough, Greenfield, Lyndeborough, and the New Hampshire State Police, are still in place and were very effective in 1994, by providing additional coverage and safety for our officers while keeping departmental costs down.

The new cruiser, which was approved for purchase during last year's town meeting arrived in May. It has provided greater dependability and lower maintenance costs than the old cruiser, allowing a decrease in budgeted maintenance costs for the 1995 fiscal year.

I would like to take the opportunity again to thank State Police Troop B for their continued assistance and training, which is provided at no cost to the Town. Troopers have assisted in many accident and criminal cases throughout the year.

The department wishes to thank Officers Peter Clegg and David Elder for their dedication and efforts, and welcomes Officers Larry Duval and Kevin Walker to the Temple Department.

Respectfully submitted,
James H. McTague, Chief

PLANNING BOARD Town of Temple, N.H. 1994

The Planning Board had a relatively quiet year, receiving and approving just one 2-lot subdivision application. The Board also received and approved one application for a gravel pit renewal, one site plan review and one lot line adjustment.

The Planning Board spend a lot of time working on our first Planned Residential Development.

The Board plans to work this year on making improvements to our current zoning regulations.

HIGHWAY DEPARTMENT 1994

Winter:

The winter of 1994 was "just like they used to be" so everyone said. With well over 100" of snow and sub-zero temperatures for weeks on end, it definitely did seem that way. Just about every other day we were either plowing, sanding, and/or salting the roads. In January and February alone, we spent \$6,400.00 on salt, used 75% of our sandpile, spent approximately \$20,000.00 plowing roads, and \$34,700.00 plowing driveways.

By the middle of March, the days were warming up and the snows were finally calming down. Fortunately, the weather was extremely mild in November and December which "rescued" our budget. We ended 1994 with approximately \$8,000.00 left over in our budget because of this.

As the weather was definitely in our favor in November and December, we spent some time building our new salt barn. The building went up fairly quickly and turned out quite well. The price of salt has gone up about 20% this year due to the shortages in February and March. Thanks to our new salt barn, we won't have to worry about losing this expensive salt to rain and freezing temperatures.

Summer:

We had fully expected to have serious mud problems in the spring after such a severe winter and with frost reported to be as deep as 8-10 feet in this area. Fortunately we were wrong. Temperatures came up slowly and it was fairly dry in April and May which helped. Also, the gravel and drainage that we have been putting on and under the dirt roads over the years is paying off.

Our regular maintenance this year consisted of grading and ditching the dirt roads, mowing roadsides, sweeping the paved roads, cleaning ditches and culverts, repairing washouts, cutting brush and taking down dead trees, repairing bridge railings and stockpiling sand. We now also maintain all of the towns laws, parks, commons, and cemeteries. Most of any spare time we have is spent on maintenance of the equipment which is a never-ending battle.

The 1-ton dump truck that we purchased from Federal surplus is working out well for us. We use it for plowing snow and most all of our regular maintenance projects. We have already saved several thousand dollars in hired equipment costs with the purchase of this truck.

Extra projects that were done this year were:

- * Widened West Road at the intersection of Foster Road for better visibility.

- * Widened the section of Blood Road at the intersection of Foster Road and Farley Hill Road to aid in snow removal.

* Rebuilt the intersection of Hill Road and Hadley Highway for easier and more efficient maintenance.

* Graveled Howard Hill Road, sections of Kullgren and Fish Roads, and North Road from Converse Road to the Town line.

* Installed Handicapped access ramps to the Town Hall and Library.

* Sealed the cracks at the Tennis Courts.

* Dug up sewer lines at the Municipal Building to insulate them from the cost and frost.

* Shimmied and sealed Hadley Highway, Boutwell Hill, Harling's Hill on Mansfield Road, Tyler's Hill on Cutter Road and the paved section of Hill Road.

At Town Meeting in March of 1995, we will be asking the Townspeople to purchase a new loader for the Highway Department to replace the 21 year old loader that we currently have. We feel that now is the best time to make this purchase.

Of our total highway budget, approximately \$207,000.00, about \$48,000.00 of it will be paid for by the block grant that we receive from the State of N.H. This money comes from the gas and diesel fuel taxes to help defray the costs of road maintenance that the town must bear.

I will gladly answer any questions that you may have about the Highway Budget or the Towns roads at the Town Meeting or by phone.

Respectfully submitted,
Timothy Fiske, Road Agent

We celebrated National Library Week with an art contest for grades 1-4. The winners were given books at our Open House on April 19th. All enjoyed cookies and punch.

Two fund raisers were undertaken this year to provide money for children's prizes and parties. The first was our annual strawberry shortcake sale on June 5 during Temple's Memorial Day, the second was a book and pie sale during Heritage Day on Sept. 25th.

The summer fun reading began on June 6 and ended August 4 with a party at the Town Hall hosted by the Friends. Contributions towards prizes were given by the Temple Drama Club, Mr. & Mrs. Karl Sladek, Robin Downes and Maryann Hamel. Forty children plus 9 pre-schoolers signed up for this program and 706 books were read by the group.

321 books were purchased and 105 books were given to the library with an estimated value of \$1,107.00. 357 books were removed from the collection.

We would like to thank the following for their donations of books, magazines, tapes, time and money: Anne Spaulding, Scott & Alison Ezell, Sydney Thomas, Brigitta Karl, Ruth Quinn, Margaret Waterman, Dick & Mary McAdoo, John Dow, Evelyn Hume, Dick & Sandy Benotti, Mr. & Mrs. Johnson, Joan Nutting, Denise Long, Dorothy Marchuk, The Barenholtz family, Karen Crowe, Susan Groff, Herbert Henry, Katie

Korpi, Jean McNeil, Kay Brown, Lois Phillips, Mary Korpi, Debbie Gallant, Tamara Bessette, Michele Bernier, Nancy Woods, Alex Pickman, Tim Winship, Lillian Maynard, Eric Oxman, Elena Krulis, Amber Swindell, Iphigenia Hatt, Geraldine Bradler, Mr. & Mrs. Roger Myrick, John Dian, Martha MacDonald, Jane Daniels, Chris Weston, all our trustees, our Friends and all who contributed to our fund raisers and helped in any way.

Thanks to Article 9 in last year's warrant we were able to replace our old electric wiring. The trustees also decided to replace the old lighting fixtures in both rooms at this time.

Article 12 enabled us to get a ramp installed to our back door and we will be handicapped accessible when changes are made to the door.

This year more work was done by our landscaper, David Dionne. We are attempting to provide grounds that are attractive but with relatively little maintenance.

Our project for 1995 will be the installation of a computer. The wiring is now complete for this.

The Friends of the Library group remain active. They sponsored the following speakers and programs during 1994: Tom Hyman, P.J. O'Rourke, Howard Mansfield, a valentines party for the school children, a party in May to start off summer reading, the summer fun reading party, a visit to the Currier Gallery and a Halloween party for children. Some of the members meet each month for book discussions. We would like more members, so if you are interested, please let us know.

Our thanks to Maria Hebert who has conducted our pre-school story hour. We need more children in this group.

Friends of the Library meet on the 2nd Saturday of each month at 9:30 a.m., book discussion is generally every 4th Tuesday at 7:30 and the trustees meet every other month on the 2nd Wednesday at 7:30.

Books may be borrowed from other libraries through the statewide I.L.L. We have a copy machine for public use and provide tax forms (federal and state). We will gladly arrange delivery of books to those who cannot visit the library.

Library Hours: Monday 1:30-5, Tuesday 10-12 & 1-5:30, Wednesday 1:30-5 & 7-9, Friday 1:30-5 and Saturday 2-5. The book drop is available at all times. Our phone number is 878-3100.

Patrons are urged to use the parking spaces at the back of the building and enter at the back door.

CEMETERIES, PARKS AND COMMONS 1994

In 1994, we tried something new. We used the Highway Department workers to care for the cemeteries and commons. This approach worked quite well as it gave us the help that we needed whenever it was needed as well as people who were experienced at running and maintaining the machines.

In April of 1994, the money raised in Article #7 was used to purchase a John Deere commercial mower. It is an excellent machine and does a very nice job on the lawns.

The land donated to the Town for a new cemetery by Barbara and David Clinkenbeard was surveyed and marked out this past year. It came out to be 2.44 acres. My plans are to work on this property over the next 5 to 10 years preparing it for use as a cemetery. By spreading out the project over a long period of time, the cost of that project is also spread out. I would like to thank Barbara and David Clinkenbeard again for their generous gift.

In the 1995 budget, you will notice that \$0.00 has been allocated for Parks and Commons. This maintenance has been absorbed into the Highway Department and was done mainly for bookkeeping purposes. Cemetery work will still be kept separate.

Respectfully submitted,
Timothy Fiske, Cemetery and Common Supervisor

VILLAGE GREEN COMMITTEE

For the Year of 1994

The Village Green Committee held its tenth annual Harvest Festival on Sunday, September 25, 1994. A moderation from heavy downpours on Friday, to misty air and an overcast sky on Saturday, to on-and-off light drizzle on the big day did not seem to keep many people home, as the Festival was extremely well attended. The antique, collectible and handmade doll show held in the Temple Church was a draw for many from the area. All who participated in the serving of food and the sale of crafts and other items had an occasionally damp but otherwise enjoyable and profitable day.

Coming up in 1995, we will be celebrating the tenth anniversary of the Temple Harvest Festival (1985-1995). Mark your calendars for Sunday, September 24, and plan to be there.

The following is a summary of income and expenses for 1994:

Income from the Festival	
(Includes Crafts tables, Harvest Table, cider, games and contests, donations from town organizations)	\$ 1,323.21
Income dedicated to Christmas lights on the Common	
(Includes tag sales at the Festival and donations from collection jars at the store and library)	175.56
1994 interest earned on savings	80.54
Total Income for 1994	\$1,579.31
Expenses for Festival	
(Includes 40x60 tent, port-a-potties, Town Hall rental, postage, advertising, miscellaneous expenses)	820.85
PSNH - Electricity to Common	96.67
Fertilizer for Common	253.00
Expenses for lighting spruce tree by Library for Christmas	
(Includes lights, wiring, donation to Town for use of electricity)	506.66
Total Expenses for 1994	\$1,677.18
Net Loss for 1994 -(\$97.87)

RECYCLING CENTER

In 1994, the markets for all recyclable material increased, in particular, the paper and plastics markets. The paper markets are finally paying due to legislation mandating a minimum post consumer content in all paper use by the government and the opening of new de-inking plants in the northeast. Hopefully, because of international markets coming on line, the price for used paper will remain the same and demand increase. Demand for used plastics also has shown an increase, due to new technologies that have made recycled plastic usage cheaper than using the virgin product. As these new technologies arrive, the possibility of recycling all plastics will materialize. In the meantime, we will try to recycle as many plastics as the market dictates.

To all the citizens of the communities that participate here at the Wilton Recycling Center, we would like to thank you for a job well done in 1994 and will try in 1995 to make the center as user friendly as possible. You made it work!

Respectfully submitted,
A. Carl Wetherbee, Supervisor

REPORT OF THE ZONING BOARD OF ADJUSTMENT

In 1994 the Temple Zoning Board of Adjustment (ZBA) heard two applications. The first case involved an appeal for a variance due to insufficient setback, which was granted. The second case was an appeal for a special exception for a commercial enterprise, which was denied.

The ZBA meets on the first Tuesday of each month, beginning at 7:30 at the Municipal Building. All meetings and hearings are open to the public.

Respectfully submitted,
Paul Quinn, Chairman
